**LIQUIDATOR'S SEVENTY-FOURTH REPORT**

**THE STATE OF NEW HAMPSHIRE**

**MERRIMACK, SS**

**SUPERIOR COURT**

**Docket No. 217-2003-EQ-00106**

**In the Matter of the Liquidation of  
The Home Insurance Company**

**LIQUIDATOR'S SEVENTY-FOURTH REPORT**

I, John R. Elias, Insurance Commissioner of the State of New Hampshire, as Liquidator ("Liquidator") of The Home Insurance Company ("Home"), hereby submit this Seventy-Fourth Report on the liquidation of Home, as of September 9, 2019 in accordance with RSA 402-C:25 and the Order Concerning Liquidator's Reports issued January 19, 2005.

**The Home Insurance Company**

1. Home's background. Home, domiciled in New Hampshire, was declared insolvent on June 11, 2003, and is one of the largest property-casualty insurer insolvencies in United States history. The Company and its predecessors began operations in 1853. The Court entered the operative Order of Liquidation on June 13, 2003. The Liquidator has created a stand-alone liquidation operation which presently consists of 39 full and part time employees with offices in New York City (Home's former corporate headquarters) and Bedford, New Hampshire. From the start in 2003, the Liquidator has been engaged in marshalling assets, principally reinsurance, and determining claims.
2. Home's assets. Home's unrestricted liquid assets as of June 30, 2019 total approximately \$812 million as set forth on the June 30, 2019 financial statement attached as Exhibit A. This figure does not include the \$621.3 million of net interim distributions

paid to non-guaranty association claimants on allowed Class II claims or the net \$256 million paid to insurance guaranty associations in early access distributions through June 30, 2019. These amounts are discussed in greater detail below. As of September 1, 2019, the Liquidator has marshalled approximately \$1.83 billion in assets net of the expenses of the liquidation and Class I distributions. This total includes the interim distribution amounts paid to non-guaranty association claimants, the early access distributions amounts paid to guaranty associations, and special deposits held by states.

3. Coordination with guaranty associations. The Liquidator works closely with the state insurance guaranty associations established in every state to handle and pay certain claims under policies issued by insolvent insurers subject to statutory limitations as provided in the associations' respective statutes. See, e.g., RSA 404-B. The New Hampshire Insurers Rehabilitation and Liquidation Act ("Act") provides for so-called "early access" distribution to guaranty associations. See RSA 402-C:29, III. Through September 1, 2019, the Liquidator has made, with the Court's approval, early access net distributions totaling \$256 million. (See Section 11 below.)

As a condition for receiving early access distributions, the guaranty associations entered into "claw back" agreements with the Liquidator requiring the return of any amounts advanced that exceed the eventual distribution percentage for their creditor class. In accordance with paragraph 4 of the Orders approving the interim distributions, a portion of early access distributions have become permanent and are no longer subject to claw back by the Liquidator. The Liquidator has calculated the amount of early access distributions no longer subject to claw back to date, and has sent letters to the affected guaranty associations to apprise them of the amount of the early access distribution which is now

deemed to be permanent. The Liquidator has also sent letters to those guaranty associations which have received reimbursement from special deposits in excess of the interim distribution percentage to advise them that previously paid early access distributions will not become permanent. (See Section 12 below.)

4. Proofs of claim. The claim filing deadline in the Home liquidation was June 13, 2004. The Liquidator received nine new proofs of claim between the last Liquidator's report and September 1, 2019. The proofs of claim submitted now total 20,794. The proof of claim count includes as a single proof of claim (a) multiple proofs received from a claimant that appear to assert the same claim, and (b) claims filed on behalf of mass tort claimants against a single insured. It is difficult to summarize the proofs of claim in advance of the claim determination process because (a) those proofs of claim that quantify the claim may be overstated or understated, (b) most proofs of claim do not quantify the amount claimed, and (c) an individual proof of claim may involve many different claims and claimants.

5. Claim amendment deadline motion. The Liquidator has concluded that to move this proceeding toward closure and protect the interests of the creditors with allowed Class II claims it is now necessary to establish a deadline by which claimants with open proofs of claim must finally amend their claims. The Liquidator accordingly filed a Motion for Approval of Claim Amendment Deadline on August 1, 2019 seeking to establish a deadline for the amendment of claims. As described in that motion, claims filed after the claim amendment deadline and potential claims (claims that cannot be specifically identified by the deadline) will be barred if the Motion for Approval of Claim Amendment Deadline is granted. Copies of the motion papers -- consisting of a motion for order of

notice, the proposed order of notice, the motion for approval of claim amendment deadline, the supporting affidavit, and the proposed order approving claim amendment deadline -- may be found on the liquidation's website, [www.hicilclerk.org](http://www.hicilclerk.org).

On August 23, 2019, the Liquidator received the Court's Order of Notice Regarding Liquidator's Motion for Approval of Claim Amendment Deadline dated August 19, 2019. Pursuant to that order, the deadline for filing objections to the Motion for Approval of Claim Amendment Deadline is November 18, 2019. The Liquidator will complete mailing notice of the motion and objection deadline pursuant to the order of notice on or before September 20, 2019. A copy of the notice will be posted to the website.

6. Claim determinations and reports. The process of determining proofs of claim continues. Since the last Liquidator's report, the Liquidator has issued partial or final notices of determination addressing 74 proofs of claim pursuant to the Restated and Revised Order Establishing Procedures Regarding Claims entered January 19, 2005 ("Claims Procedures Order"). As of September 1, 2019, for all priority classes, the following table outlines activity from inception of the Liquidation:

	<u>12/01/14</u>	<u>12/01/15</u>	<u>12/05/16</u>	<u>12/01/17</u>	<u>12/1/18</u>	<u>9/1/19</u>

vi.	<b><u>Total</u></b>	<b><u>2,396</u></b>	<b><u>1,929</u></b>	<b><u>1,242</u></b>	<b><u>1,050</u></b>

(1) POC counts include single POCs that may encompass multiple underlying claims and multiple POCs that may concern single underlying claims. Multiple determinations may be issued for individual POCs.

(2) The number of POCs resolved includes POCs determined and approved by the Court as Class V determinations that are deferred as to amount. The number of deferred Class V determinations can change if a final determination as to amount is issued.

(3) The allowance total was adjusted to reflect credits for offsets.

(4) The number of open POCs excludes 304 POCs at 9/1/19 determined and approved by the Court as Class V determinations that are deferred as to amount. POCs with a filed Request for Review are considered open until the NODs are resolved.

(5) The number of open contribution POCs increased due to issuance of NODs on POCs that had not been counted as open in light of previous court-approved final determinations as to priority class only.

(6) In the course of a review of the open POCs, two records were moved from another category to this category.

(7) As of 9/1/19, the number of insureds with open POCs totaled 224. All entities falling within the coverage of the policy including the named insured, additional named insured and their successors are counted as one insured if they filed a consolidated POC or POCs. Where the insured, the additional named insured and/or the successors filed separate POCs, each of the entities is counted separately.

The Liquidator continues to file reports of claims and recommendations when a sufficient number of claim determinations have passed the 60-day period for objections under RSA 402-C:41, I. Since June 1, 2019, the Liquidator has submitted two reports of claims and recommendations to the Court reflecting a total of approximately \$1.9 million in determinations for all classifications. In addition, the Court has approved one Class II settlement agreement reflecting total allowances of \$9.5 million.

7. Late-filed claims. The Order of Liquidation established June 13, 2004 as the deadline for filing claims in Home's liquidation proceeding. Pursuant to the Act, claims filed after the claim filing deadline are allowed to participate in distributions of the estate provided the late filing of the claim is "excused" for good cause shown. See RSA 402-C:37, II. The Act provides a non-exclusive list of five examples of "good cause" for late filing to be excused, including that the "existence of a claim was not known to the claimant and that he filed within 30 days after he learned of it." *Id.* "Unexcused" late filed claims are not permitted to receive the first distribution from the estate, but may receive subsequent distributions. RSA 402-C:37, III. (In both cases, payment is permitted only if it will not "prejudice the orderly administration of the liquidation." RSA 402-C:37, II, III.)

All proofs of claim received by the Liquidator are reviewed to determine whether the claim is timely filed or, if late, whether the late filing of the claim is to be "excused." Claimants with late filed claims which are found to be "unexcused" are informed of that determination and that they will not receive the first distribution in the Liquidator's notice of claim determination.

8. Requests for review and objections. A notice of determination is sent to a claimant when the Liquidator determines a claim. Each notice of determination includes

instructions on how to dispute the determination under the New Hampshire statutes and the Claim Procedures Order. Since inception, 1010 claimants have filed requests for review; 909 of these have been sent notices of redetermination or have withdrawn the request for review. Claimants have filed 60 objections with the Court to commence disputed claim proceedings. As of September 5, 2019, there are two disputed claim proceedings before the Referee. The Claims Procedures Order provides for review of the Referee's reports by motion to recommit. One such motion was stayed pending the Court's ruling on a motion for approval of a settlement with the claimant. The approval was given by order dated August 27, 2019, and the order deemed the motion to recommit withdrawn.

9. Financial reports. The unaudited June 30, 2019 financial statements are attached as Exhibit A to this report. The June 30, 2019 statements reflect \$811,248,037 in assets under the Liquidator's direct control and \$19,747,582 in reinsurance collections, net investment income, and other receipts, and \$8,671,852 in operating disbursements from January 1 through June 30, 2019.

10. 2019 Budget. A comparison of the actual and budgeted general and administrative expenses of the Home liquidation, on an incurred basis, through June 30, 2019 is attached as Exhibit B. As of June 30, 2019, actual expenses were below budget by \$490,209 or 7.2% with favorable variances in most categories. Below is a comparison of the annual budgeted and actual operating expenses (in millions) beginning January 1, 2004:

Year	Budget	Actual
2004	\$33.8	\$26.9
2005	\$26.8	\$26.2
2006	\$25.6	\$23.5
2007	\$22.8	\$21.5
2008	\$21.4	\$20.6
2009	\$20.6	\$20.0
2010	\$19.9	\$20.3
2011	\$18.9	\$18.2
2012	\$18.6	\$18.2
2013	\$18.4	\$17.7
2014	\$17.6	\$17.0
2015	\$17.2	\$16.2
2016	\$15.7	\$14.6
2017	\$14.5	\$13.7
2018	\$14.0	\$12.8
2019	\$13.5	

The Liquidator filed a copy of the 2019 Budget on October 15, 2018 as Exhibit 7 to the Liquidator’s Filing Regarding Status Report. As of September 1, 2019, the liquidation staff is 39 in number, which includes seven part time employees. In addition, there are five Information Technology consultants, and other consultants who periodically work for the estate.

11. Investment update. The Liquidator invests Home’s assets in accordance with the Fourth Revised Investment Guidelines approved December 10, 2012. A summary of Home’s holdings of bonds and short-term investments as of June 30, 2019 is attached as Exhibit C, and a report listing the individual holdings of Home as of that date is attached as Exhibit D (the groupings on Exhibit B differ from those on Exhibit D). The book value of Home’s bonds and short-term investments managed by Conning Asset Management (“Conning”) at June 30, 2019, was approximately \$790.6 million compared to their market value of \$797.7 million. This represented an unrealized gain (book value above market value) of approximately \$7.1 million. Short-term holdings in the Conning-managed

portfolio at June 30, 2019 were \$9 million at market value. The portfolio has generated approximately \$11.6 million of cash from net investment income through June 30, 2019 and is expected to generate \$21.9 million in 2019.

The average credit rating for the Conning-managed portfolio holdings is Aa3 by Moody's and AA- by S&P. The Liquidator continues to maintain, outside of Conning's control, investments in US Treasury bills. As of June 30, 2019, such investments for Home had a market value of approximately \$9.7 million. These assets, along with sweep bank accounts, will be used to fund operating requirements.

As of September 1, 2019, the Conning-managed portfolio had an unrealized gain of \$10.2 million, a \$3.2 million change in the unrealized gain and loss from June 30, 2019 due to a decrease in bond yields influenced by concerns about economic growth and the Federal Reserve's rate reduction of .25% in July, 2019. A market value sensitivity analysis performed by Conning indicated that market values of the portfolio could potentially fluctuate \$22 million downwards and \$23 million upwards if interest rates increased or decreased 100 basis points, respectively, based on the portfolio values as of June 30, 2019. Consistent with the investment guidelines, the Liquidator and Conning continue to focus on (a) preservation of capital on investments, (b) maintaining a high quality portfolio, and (c) consistent with objectives (a) and (b), maximizing current income. As of September 1, 2019, the Liquidator and Conning believe that all securities in the portfolio will pay full amounts of principal in spite of fluctuating market values.

12. Early access distributions to guaranty associations. The Liquidator made early access distributions to a total of 55 insurance guaranty associations from 2005 through 2016. The Liquidator makes an early access distribution only after obtaining

approval from the Court and “claw back” agreements with the guaranty associations requiring the return of any amounts advanced that are necessary to make distributions to creditors whose claims fall in the same or a higher priority class. See RSA 402-C:29, III.

Early access distributions are generally subject to deductions for deposits, deductible reimbursements, recoveries from guaranty association statutory net worth insureds, amounts ascribed Class I and Class V priority, questioned claim items, and an early access distribution cap of 40% of the association’s paid loss and expense and case reserves. Given the large number of guaranty associations affected by the cap and the decreasing association claim volume over the last few years, the tenth and eleventh early access distributions also reflected an additional cap of 75% of the association’s cumulative paid claims in accordance with the Court’s approval orders. The eleventh early access distribution also reflected a \$25,000 minimum payment threshold. A net total of \$256 million has been paid to guaranty associations in early access through June 30, 2019.

13. Interim Distributions. By Order dated March 13, 2012 (as amended July 2, 2012), the Court approved the first interim distribution of 15% to claimants with allowed Class II claims. The interim distribution was subject to receipt of a waiver of federal priority claims from the United States Department of Justice (“US DOJ”), which was received on November 5, 2014. By Order dated November 16, 2015 (as amended March 7, 2016), the Court approved the second interim distribution of 10% to claimants with allowed Class II claims (for a cumulative interim distribution percentage of 25%). The second interim distribution was also subject to receipt of a waiver of federal priority claims from the US DOJ, which was received on July 18, 2016.

The Liquidator paid first interim distributions totaling \$258.3 million to creditors with allowed Class II claims on December 5, 2014 and thereafter through July 31, 2016. In August 2016, the Liquidator paid second interim distributions totaling \$183.3 million to creditors with allowed Class II claims. It also included 25% first and second distribution amounts for those recent Class II claimant-creditors who had not previously received the first interim distribution.

By Order dated October 18, 2018, the Court approved the third interim distribution of 5% to claimants with allowed Class II claims (for a cumulative interim distribution percentage of 30%). The third interim distribution was also subject to receipt of a waiver of federal priority claims from the US DOJ. The Liquidator entered a Release Agreement with the United States in conjunction with a Settlement Agreement between the Federal Claimants and the Liquidator. The two agreements were subject to Court approval, which was given by Order dated March 26, 2019, and other conditions which were satisfied on April 10, 2019, thereby making the Settlement Agreement and the Release Agreement effective. The Release Agreement provided the necessary waiver of federal priority claims allowing the third interim distribution to proceed.

In April 2019, the Liquidator paid the third interim distribution totaling \$119.0 million to creditors with allowed Class II claims. This included the 30% distribution in the amount of \$8,113,243.80 on allowed United States claims which was paid to the United States on April 10, 2019 in accordance with the terms of the Settlement Agreement. It also included 30% distribution amounts for other recent Class II claimant-creditors who had not previously received the first and second interim distributions. As part of the interim distribution process, the Liquidator periodically issues distribution

checks to claimants with newly allowed Class II claims after each December 31 and June 30 as provided in the interim distribution approval orders.

The net cumulative interim distributions to non-guaranty association Class II creditors total \$621.3 million through September 1, 2019 (excluding distribution checks outstanding of \$0.3 million ). This total does not include the amounts of prior early access distributions to guaranty associations that are deemed interim distributions no longer subject to claw back pursuant to the interim distribution approval orders (which are included in the early access total in paragraph 11). Certain guaranty associations have had claims satisfied from special deposits and, accordingly, have not received interim distributions from the Home estate.

14. Milliman reserve study. The Liquidator engaged the actuarial firm Milliman, Inc. to estimate Home's unpaid direct liabilities as of December 31, 2010, December 31, 2012, and December 31, 2014. Milliman's report concerning unpaid loss and allocated loss adjustment expense ("ALAE") as of December 31, 2010, was used in the Liquidator's Motion for Approval of Interim Distribution to Claimants with Allowed Class II Claims filed February 13, 2012, and the executive summary was included in the motion papers. A copy of the executive summary of the Milliman report concerning unpaid loss and ALAE as of December 31, 2012 was attached as an exhibit to the Liquidator's Fifty-First Report. A copy of the executive summary of the Milliman report dated June 18, 2015 concerning unpaid loss and ALAE as of December 31, 2014 was attached as an exhibit to the Liquidator's Fifty-Seventh report.

Milliman's actuarial central estimate of ultimate Class II unpaid loss and ALAE as of December 31, 2010 was \$4.112 billion, and the estimate at the 95% confidence level

was \$6.584 billion. Milliman's actuarial central estimate of ultimate Class II unpaid loss and ALAE as of December 31, 2012 was \$4.372 billion, and the estimate at the 95% confidence level was \$6.602 billion. Milliman's actuarial central estimate of ultimate Class II unpaid loss and ALAE as of December 31, 2014 was \$4.034 billion, and the estimate at the 95% and 90% confidence levels was \$5.406 billion and \$4.970 billion respectively.

15. Multiple claims. RSA 402-C:40, IV provides that in the event several claims founded on one policy are filed, and the aggregate allowed amount of all claims to which the same limit of liability in the policy is applicable exceeds that limit, then each claim as allowed shall be reduced in the same proportion so that the total equals the policy limit. This presents a potential risk for allowed claims under such policies in the event that other claims subject to the same policy limit are allowed, as the allowances subject to the same limit would need to be reduced on a pro rata basis to adjust the total of such allowances to the applicable policy limit. Distributions will be based on the reduced allowances. The Liquidator will be unable to finally determine the extent to which a claim allowance may be subject to proration until all claims against the policy have been determined. The Liquidator is tracking claims against policies and will further address this issue, if warranted, in any future application to increase the interim distribution percentage. If at the time of a distribution there are allowed claims subject to the same limit that are required to be reduced pursuant to RSA 402-C:40, IV, the Liquidator will make the reductions and advise the claimants of the reasons for them.

16. Reinsurance. The collection of reinsurance is the principal remaining asset-marshaling task of the Liquidator. The Liquidator has billed and collected reinsurance

throughout the liquidation, and he has entered into commutations with certain reinsurers of Home to resolve relationships with those reinsurers for agreed payments.

The Liquidator reports, in accordance with the Court's December 23, 2004 order, that since the last report, the Liquidator has completed and moved for approval of a ceded and assumed commutation with National Casualty Co.

17. Distributions to Class I Creditors. In his reports and recommendations regarding claims, the Liquidator has recommended that the Court approve certain claims by guaranty associations for expenses which are Class I claims under RSA 402-C:44 pursuant to RSA 404-B:11, II, certain other Class I claims, and the 10% part of allowed guaranty fund defense expense payments assigned to Class I under the Settlement Agreement with 56 guaranty associations approved on July 15, 2013. The Court has approved the claim reports, and the Liquidator accordingly has at various times made distributions to the Class I creditors. Most recently, a Class I distribution totaling \$5.4 million was issued to guaranty associations in September and October 2018, which brought total Class I distributions to \$86.0 million (after deduction of setoffs).

18. Asset dispositions (including compromises) and assumptions of obligations. In accordance with paragraph 5 of the Order Establishing Procedures for Review of Certain Agreements to Assume Obligations or Dispose of Assets entered April 29, 2004, and paragraph 5 of the Liquidator's Eleventh Report, the Liquidator submits a confidential schedule of asset dispositions (including compromises) and obligation assumptions since the last report which is filed under seal as an appendix to this report.

19. New York Office Surrender of Space; Manchester Office Lease Termination. Pursuant to the terms of the Lease Agreement for office space located at 61

Broadway in New York City, the Liquidator had a unilateral contraction option to surrender 7,500 square feet or approximately one-third of the Premises effective as of January 1, 2018. The Liquidator exercised the option and vacated the space on December 31, 2017. The Lease Agreement provides the Liquidator with a second unilateral contraction option for approximately half of the remaining space which option may be exercised at any time between January 1, 2021 and January 1, 2023. While the Lease expires by its terms on January 31, 2026, the Liquidator has an option to cancel the Lease as of January 1, 2021, as well as an option to extend the term of the Lease another five years until January 31, 2031. Both options to be effective require 12 months prior written notice.

The Lease Agreement for office space in Manchester, New Hampshire has been terminated effective as of August 31, 2019, and the Liquidator has vacated the space. The office has been relocated to new quarters in Bedford, New Hampshire which space has been let on a month to month basis.

20. Mailing Address Change: In view of the closure of Home's Manchester office, and as reflected on the liquidation's website ([www.hicilclerk.org](http://www.hicilclerk.org)), the mailing address for all Proofs of Claim has been changed to the following:

The Home Insurance Company in Liquidation  
61 Broadway, 6<sup>th</sup> Floor  
New York, New York 10006

21. Document Storage. The contract with Iron Mountain regarding storage of Home's records housed at Iron Mountain facilities as approved by the Court on November 2, 2016 extends until November 30, 2021, and provides for a further five year extension at the Liquidator's option. As of September 1, 2019, there are approximately 69,290 boxes

of documents in storage at Iron Mountain, down from a high of 167,000 in 2004 when the record review process was commenced, resulting in considerable savings to Home's estate. Record destruction efforts remain ongoing so as to eliminate records which are no longer useful to the estate.

22. Ancillary proceedings in the United States and United Kingdom. Ancillary receiverships for Home remain pending in Oregon, New York, and Massachusetts. In addition, a provisional liquidation proceeding concerning Home's unincorporated branch in the United Kingdom ("UK Branch") remains pending. The Home's UK Branch wrote insurance and reinsurance as a participating member of the American Foreign Insurance Association ("AFIA"), and a Scheme of Arrangement with AFIA creditors was approved by the UK court in November 2005. Members of Ernst & Young in London act as Provisional Liquidators and Scheme Administrators.

23. Discontinuance of OLC List Service Updates Notification. The OLC List Service was created to allow individuals to be notified by e-mail message of a posting to the liquidation's website ([www.hicilclerk.org](http://www.hicilclerk.org)) rather having to visit the site to see if there have been any additions. However, maintaining this service has grown burdensome. It now requires frequent and significant reprogramming of certain older programs by liquidation staff when there are updates to computer operating system hardware and software. In addition, significant manual intervention is necessary to restart the notification system after any type of data center outage. The Liquidator has evaluated the ongoing cost and effort required to maintain this feature and has concluded that it has become excessive. As a result, the Liquidator anticipates that the OLC List Service will be discontinued effective September 30, 2019. A notice will be posted as that date approaches. All filings

and orders in the liquidation proceeding will continue to be posted and may be viewed on the liquidation's website, [www.hicilclerk.org](http://www.hicilclerk.org), which serves as a resource for those who wish to monitor the activity of the estate.

Respectfully submitted,

John R. Elias, Insurance  
Commissioner of the State of  
New Hampshire, as Liquidator  
of The Home Insurance Company

Dated: September 17, 2019

The Home Insurance Company in Liquidation ("Home")

Notes to Financial Statements  
(Modified-Cash Basis)  
(Unaudited)  
June 30, 2019

**1) Basis of Accounting**

These financial statements are prepared using the modified cash basis of accounting which differs from accounting principles generally accepted in the United States. Only those assets that are within the possession of the Liquidator and other known amounts for which ultimate realization is expected to occur, primarily investments and cash and cash equivalents, and certain receivables, are recorded. Liabilities that have been acknowledged by the Liquidator are prioritized into creditor classes in accordance with the New Hampshire Statute establishing creditor classes in insurer insolvencies, RSA 402-C: 44. Only incurred but unpaid Class I (Administration Costs) liabilities, which are in a creditor class superior to all other classes, are presented in these financial statements.

These financial statements do not record the amounts of certain assets such as outstanding receivables, reinsurance recoverables, securities on deposit with various states and the federal government, early access distributions, funds held and claims against others, and certain liabilities, including insurance claims, as such amounts have not been settled and agreed to with third parties.

The amount shown for loss expenses paid primarily represents (1) loss expenses accorded administrative expense priority by the rehabilitation order and liquidation order, and (2) expenses relating to obtaining claim recoveries which also are entitled to administrative expense priority. Checks issued for such loss expenses that are not cashed are reflected as liabilities.

Unrestricted illiquid assets represent investments in common stock and limited partnership interests which are not liquid since these are not publicly traded.

Realized capital gains and losses on sale of bonds are calculated based on original cost of the bonds. Proceeds received above or below cost on maturity of bonds are included as part of net investment income.

Proceeds received above or below original cost are treated as a gain or loss upon disposition of common stock.

This statement does not include any assets of Home's branches outside of the United States.

**3) Incurred But Unpaid Administrative Expenses and Investment Expenses**

Accrued expenses incurred in the normal course of Home’s liquidation, but unpaid as of June 30, 2019, are as follows:

Human resources costs	\$ 510,601
Consultant and outside service fees	236,728
Legal and auditing fees	56,570
Other administration costs	53,853
General office and rent expense	<u>78,167</u>
Total accrued administrative expenses	<u>935,919</u>
Accrued investment expenses	<u>177,385</u>
Total accrued expenses	<u>\$ 1,113,304</u>

The amount of accrued expenses at December 31, 2018 was \$1,790,276 and net assets for 2019 increased by \$676,972 due to the decrease in the accrual.

Various full-time employees of Home are covered by employee incentive plans, which were approved by the Liquidation Court on December 7, 2018. The costs of these plans are primarily payable in 2019, but are based on 2018 service and are being accrued over the service period in 2019. Accrued administrative expense includes \$510,000 of incentive plan costs.

**4) Restricted Funds**

The Liquidator has drawn down on letters of credit (LOC) upon receiving notices of cancellation or notices of non-renewal from the issuing bank. Such LOC drawdowns relate to insurance losses not yet proven and/or settled and are recognized as restricted cash receipts. Restricted funds will be recognized as unrestricted reinsurance recoveries when such balances are proven and/or settled between the beneficial owner and the Liquidator. Restricted funds related to reinsurance recoveries total \$195,667 at June 30, 2019 and December 31, 2018.

The Home Insurance Company in Liquidation (“Home”)

Notes to Financial Statements (continued)  
(Modified-Cash Basis)  
(Unaudited)

**5) Securities on Deposit**

Investments on deposit at the original cost with various states and the federal government were \$765,400, \$768,672 and \$73,947,287 at June 30, 2019, December 31, 2018 and June 13, 2003, respectively. The federal deposit is the only deposit still held at June 30, 2019, and as described in Note 1, the Liquidator does not record the amount of this asset as such amount has not been settled and agreed to with the federal government.

Various states have withdrawn such deposits and related interest for use by the related state guaranty associations. The market value of these withdrawals in the amount of \$55,744,793 may be offset against future distributions to such guaranty associations.

**6) Early Access Distribution**

On November 2, 2016, the Liquidation Court approved the eleventh early access distribution to insurance guaranty associations based on guaranty association payments through July 30, 2016. The Liquidator paid \$14.7 million for the eleventh early access distribution through December 31, 2016. The total of all early access payments through June 30, 2019 was \$252.9 million.

As a condition for receiving early access distributions, the guaranty associations entered into “claw back” agreements with the Liquidator requiring the return of any amounts advanced that exceed the eventual distribution percentage for their creditor class. Pursuant to the “claw back” agreements, the Liquidator requested and received the return of \$5.9 million for the eleventh early access advance as of December 31, 2017. Such returns of “claw back” amounts are netted against the related early access advances in the financial statements. The distribution caps are (1) an amount equal to 40% of the total incurred costs projected by each guaranty association, and (2) an amount equal to 75% of each guaranty association’s cumulative paid claims.

The Liquidator may periodically make additional early access distributions in the future, subject to the Liquidation Court’s approval. Early access distributions and related advances are not recorded as assets in the accompanying statements of restricted and unrestricted net assets, excluding certain amounts, although they represent payments in advance of distributions to other claimants. Early access distributions and related advances will ultimately be credited against amounts payable to Guaranty Associations to ensure pro rata distributions among members of the same class of creditor of the Liquidating Company.

**6) Early Access Distribution (continued)**

The following summary represents early access distributions and related advances that are not reflected in the Statement of Net Assets.

Early Access Distributions paid in cash	\$ 252,942,104
Assets withdrawn from special deposits held by states to pay Home claims (market value, see note 5)	55,744,793
Other deemed Early Access advances paid in cash	<u>3,148,212</u>
Total	<u>\$ 311,835,109</u>

**7) Home Deductible Policies - Reimbursement**

On April 6, 2011, the Liquidation Court approved an agreement between the Liquidator and the Guaranty Associations regarding Home Deductible policies (the Deductible Agreement). The Deductible Agreement provides that the Liquidator will reimburse the signatory Guaranty Associations for deductible amounts collected during liquidation. The Liquidator also charges a fee of 7.5% as reimbursement of the Home's expenses incurred in the collection process. Forty-six Guaranty Associations have signed the Deductible Agreement to date. On March 6, 2019 and March 6, 2018, the Liquidator paid \$338,600 and \$398,185 respectively, after netting of the fee.

**8) Allowed Claims**

As of June 30, 2019, the Liquidator has allowed, and the Liquidation Court has approved, \$94,963,311 of Class I claims, \$2,820,924,367 of Class II claims, \$2,672,527 of Class III claims, \$327,496,493 of Class V claims and \$53,887 of Class VIII claims. Class I claims paid in 2019 were \$9,301 and in 2018 were \$5,433,359 for the seventh distribution of Guaranty Associations' administrative costs. It is management's judgment that there will not be sufficient assets to make distributions on allowed claims below the Class II priority. Distributions on allowed claims will depend on the amount of assets available for distribution and allowed claims in each successive priority class under New Hampshire RSA 402-C: 44.

The Home Insurance Company in Liquidation (“Home”)

Notes to Financial Statements (continued)

**9) Interim Distribution**

On February 10, 2012, the Liquidator submitted a motion to the Liquidation Court seeking approval for a 15% interim distribution on allowed Class II claims. The interim distribution was approved by order of the Liquidation Court on March 13, 2012 (as amended July 2, 2012), and was subject to receipt of a waiver of federal priority claims from the United States Department of Justice. The waiver was received on November 5, 2014.

Additionally, on September 28, 2015, the Liquidator submitted a motion to the Liquidation Court seeking approval for a second interim distribution of 10% on allowed Class II claims. The Liquidation Court issued an order approving the motion on November 16, 2015 (the Order). On March 7, 2016, the Order was amended so that claimants who had not received the first interim distribution would be paid the second interim distribution coincident with the first interim distribution. The second interim distribution was subject to a waiver from the United States Department of Justice. The waiver was received on July 18, 2016.

On September 28, 2018, the Liquidator submitted a motion to the Liquidating Court seeking approval for a third interim distribution of 5% on allowed Class II claims. The Liquidation Court issued an order approving the motion on October 18, 2018 subject to a waiver from the United States Department of Justice.

As of June 30, 2019, cash paid relating to the interim distributions in 2019 and 2018 totaled \$128,851,136 and \$30,139,875 respectively, and \$264,212 and \$127,200 remains outstanding as a payable for outstanding checks issued in 2019 and in 2018 respectively. The total of all class II payments through June 30, 2019 was \$582,238,405. As of December 31, 2018, interim distributions to a creditor totaling \$59,962,476 had been transferred into escrow pursuant to an approved settlement agreement and approved escrow agreement. The escrow amount is net of a return payment to the Liquidator of \$528,166 based on an adjustment to the escrow calculation in 2018. The funds held by the escrow agent were subject to the jurisdiction of the Liquidation Court but were no longer under control of the Liquidation and were therefore not reflected on the Statement of the Restricted and Unrestricted Net Assets. In January 2019, the escrow was terminated and the funds were distributed to the creditor and to the Liquidator. The Liquidator received \$20.8 million from the escrow.
