ORDER ON CLAIMANT'S MOTION FOR CLARIFICATION

The Claimant has filed a motion for clarification. In that motion, he requests that the Referee make certain factual findings. Mr. Osijo also requests that the Referee provide a copy of a motion for permission to cash check, or order the Liquidator to produce a copy of that motion. The Liquidator opposes the motion stating that Mr. Osijo is seeking to reargue matters already addressed.

The Referee has issued a decision on the merits. That decision did not include factual findings on the issues raised in the motion for clarification because those factual findings were not necessary to the Referee's decision. In addition, review of the motion sought by the Claimant is also not necessary to the Referee's decision. Claimant's motion is denied.

So ordered.
