**SCHEDULING ORDER**

A telephonic structuring conference was held on January 18, 2012. For discovery and briefing, this disputed claim is consolidated with 2011-HICIL-51. For both claims, the parties have agreed to a discovery schedule:

- (1) By February 8, 2012, the parties will propound interrogatories and document requests;
- (2) The parties will respond to the discovery requests by April 2, 2012;
- (3) By May 2, 2012, the parties will confer about whether additional discovery is necessary.
- (4) (a) If additional discovery is not necessary, the parties will confer and jointly propose a briefing schedule to the Referee by May 2, 2012. If the parties are unable to agree on a briefing schedule, each will file a proposed schedule by May 11, 2012. The Referee will determine whether a telephonic conference is necessary.
- (4) (b) If either party believes additional discovery is necessary, that party will have until May 11, 2012 to file a motion setting forth the discovery requested, and a proposed schedule for completing the discovery. The other party will have until May 21, 2012 to file a response. The Referee will rule on the pleadings, or schedule a telephonic conference related to the discovery issues.

So ordered.
