CLAIM No.

14U700277-01 2009 MAY 12 A 11:47

Dear Sir

I am writing you about my claim
that I wish to dispute the determination
of my creditor classification was a
error because I have not made any other
recourses with this claim and I have
not sought and do not intend to seek
any other recourses with respect to
this claim. Because the gross amount
of my claim is \$50,000.00 and that's what
I ask from the court what they owe me.

Thank you
John Walter

P.S. It was not a fair deal to me
and that's why I file a new objection
with the court for payment in that bill.
