**Order on Joint Request to Deem CIC's Claim Regarding Monsanto Company
a Matter in Disputed Claims Proceeding**

The Liquidator and Century Indemnity Company ("CIC") have jointly requested an order that CIC's claim regarding Monsanto Company ("Monsanto") be deemed a matter in a disputed claim proceeding and treated as such under the RSA and the Claims Procedures Order and that a structuring conference be scheduled on the matter. In addition, the parties have requested a Structuring Conference to address scheduling, and whether the Referee should address an initial issue of law as a preliminary step in the disputed claims process.

For the reasons stated in the Joint Request, I deem CIC's claim regarding Monsanto a matter in a disputed claim proceeding.

I further order that the Clerk schedule a video structuring conference on this matter.

So ordered.
