Unione objects to the Re-determination. Unione has demonstrated its claim in the sum of US\$236,740.60 and the obligation of the Home to pay it (as agreed in the contract between Unione and the Home and as embodied in and in accordance with an Order of the English High Court dated 1st July 1988) and, in any event, Unione has fulfilled such burden of proof on it in respect of the claim as there is under English law. Further, Unione reserves the right to submit additional documentation in further support of its claim. In summary, Unione seeks (i) a reversal of the Determination that there is an offset due to the Home against Unione in the sum of US\$236,740.60 and (ii) a reinstatement of the original Determination of the claim in the sum of US\$236,740.60.
