SECTION AEXCESS COMPREHENSIVE BODILY INJURY AND PROPERTY
DAMAGE LIABILITY CONTRACT

In consideration of the premium paid, The Home Insurance Company (hereinafter called the Company) and The Greyhound Corporation and its Subsidiary Companies more than 50% owned (hereinafter called the Insured) do hereby agree as follows:

INSURING AGREEMENTI. BODILY INJURY AND PROPERTY DAMAGE LIABILITY

The Company hereby agrees to indemnify the Insured against excess loss as hereinafter defined, subject to the limitations, conditions and other terms of this contract, which the Insured may sustain by reason of the liability imposed upon the Insured by law or assumed by the Insured under contract or agreement:

- (a) for damages, including damages for care and loss of services, on account of bodily injury, including death at any time resulting therefrom, sustained by any person or persons;
- (b) for damages because of injury to or destruction of property, including the loss of use thereof;

caused by or growing out of each occurrence and arising out of or due wholly or in part to the business operations of the Insured, or any act or omission of the Insured's directors, officers, stockholders, employees, agents contractor or sub-contractors.

II. LIMIT OF LIABILITY

The Company's limit of liability under Coverage 1(a) or Coverage 1(b) or both combined, shall only be for the ultimate net loss excess of \$750,000.00 as a result of any one occurrence, * whether insurance shall be purchased by or on behalf of the Insured or the Insured shall retain such first loss for its own account (herein called the Retained Limit), and then only up to an amount not exceeding \$4,250,000.00 in respect of such occurrence, provided, however, that if other valid and

collectible insurance is available to the Insured for an amount greater than the Retained Limit as stated above, the Company shall be liable only, for the ultimate net loss in excess of such insurance and then up to but not exceeding their limit of liability as aforesaid, there being no limit to the number of occurrences for which claims may be made hereunder provided such occurrences occur during the policy period.

III. DEFINITION OF "OCCURRENCE"

The word "occurrence" as used in this contract or in any endorsements made a part of this contract shall be construed to mean any one happening or series of happenings, arising out of or due to one event or disaster.

IV. ASSAULT AND BATTERY

This contract covers the legal liability of the Insured against loss on account of personal injuries caused by assault and battery and sustained by any person or persons, other than employees of the Insured in the course of their employment, arising out of business operations of the Insured covered hereunder, unless such assault and battery be committed by or at the direction of the Insured.

The words "bodily injury" and "injury" wherever used in Insuring Agreement I(a) and in other parts of this Contract shall be deemed to include personal injury caused by slander or libel, false arrest, false imprisonment, false eviction, discrimination, humiliation, ridicule, mental or physical anguish, detention or malicious prosecution by any officer or employee of the Insured or by a detective or operator of a detective agency or by public authorities.

V. CONTRACT PERIOD, TERRITORY

~~This Contract applies only to events occurring during the continuation of this Contract, and within the United States of America, Mexico and the Dominion of Canada.~~ ✓

VI. BUSINESS OPERATIONS

It is understood and agreed that the business of the Insured covered hereunder is that of transportation of persons, baggage, freight, express, mail and other operations incidental to the conduct of the Insured's business.

It is further understood and agreed that, in addition to the foregoing, this Contract specifically covers the following:

- (a) The operation by employees of the Insured of any motor vehicle, whether belonging to the Insured or otherwise, which is about to be or has just been repaired or serviced by or stored in a garage or repair shop operated by the Insured;

- (b) the towing of equipment of the Insured by any bus, truck or other automotive equipment;
- (c) the liability assumed by the Insured under hold harmless agreements entered into between the Insured and manufacturers and others;
- (d) all motor vehicles, whether belonging to the Insured or otherwise, used with the consent and permission of the Insured for the purpose of carrying passengers or for any other purpose;
- (e) any director, officer, employee or stockholder of the Insured insofar as any liability exists on his part by reason of his being such director, officer, employee or stockholder.

VII. DEFINITION OF "ULTIMATE NET LOSS"

The term "Ultimate Net Loss" as used in this Contract shall be deemed to mean the actual sum or sums paid or payable to any person or persons as special, punitive or general damages, or any or all (as determined by settlement or adjustment of claim or claims as herein provided, or by final judgment), plus expense incurred by the Insured in providing such immediate medical or surgical relief as is imperative at the time of the occurrence covered hereby, because of bodily injury or injuries, death or deaths, arising out of or because of an occurrence covered hereby. Fees and expenses (including taxed court costs and interest accruing after entry of judgment) paid by the Insured, or any company acting as his insurer, or both, in investigating, defending and settling occurrences, claims and suits covered hereby (but not ordinary overhead expenses or salaries or annual retainers paid by or incurred by the Insured in connection therewith) shall be pro-rated between the Insured and the Company in proportion to their respective interests in the amount of Ultimate Net Loss paid.

It is hereby understood and agreed that the Insured are to have the benefit of recoveries under policies of other Insurers and such recoveries shall inure to the benefit of the Insured, and shall not be taken into account in arriving at the amount of loss; it being understood and agreed that this policy shall pay losses in excess of \$750,000.00 each occurrence combined Bodily Injury and Property Damage or the amount of such recoveries whichever is the greater.

It is noted and agreed by the Company hereon that the Insured may purchase from other Insurers a policy or policies providing various Bodily Injury and Property Damage limits underlying this policy, and the Company agrees that this policy shall cover as if the aforementioned policy or policies of other Insurers or any similar substitute therefor did not exist.

However, with respect to property leased, rented, occupied or used by or in the care, custody or control of the Insured or any of its employees (other than property of passengers), it is warranted that the Insured shall maintain primary insurance covering damage to or destruction of such property in the amount of \$5,000,000.00 and this policy shall only pay losses in excess thereof.

VIII. CLAIMS AND APPEALS

The Insured shall give prompt notice to the Company of any event or development which, in the judgment of the Insured, might result in a claim upon the Company hereunder. Inadvertent failure to so notify shall, however, not affect the liability of the Company, but the Insured agrees to use its best efforts to comply with the foregoing stipulations with a view to affording the Company every possible opportunity of safeguarding their interest in any claim in which they may be involved. The Insured shall forward promptly to the Company a copy of each claim, report, document, paper or pleading in connection with such case which may be required by the Company as adjustment proceeds.

The Company shall have the right to participate jointly with the Insured in the investigation, adjustment and settlement of claims upon which, in the judgment of the Company, they are or might become interested or exposed, and the Insured agrees to co-operate with the Company to the end that settlement may be made in each case where legal liability apparently exists with a minimum loss to the Company.

Upon closing of any claim which has previously been reported to the Company whether or not the Company sustained or will sustain liability thereon, the Insured will notify the Company thereof, in order that the Company's claim files may likewise be closed.

The Company will not undertake to investigate claims or defend suits or proceedings on behalf of the Insured. It is understood, however, that when so requested, the Insured will afford the Company an opportunity to be associated with the Insured, at the expense of the Company, in the defense or control of any claim or suit or proceeding which in the judgment of the Insured may involve the excess insurance afforded under this contract, and the Insured and the Company shall co-operate in every respect in the defense of such claim or suit or proceeding. It is further understood that the Insured shall not make settlement of any claim or group of claims (unless compelled so to do by final judgment of any court of competent jurisdiction) for an amount involving the interest of the Company under this contract, without the consent of the Company thereto.

It is the intention of the parties that under this contract the Insured will investigate all occurrences and claims covered hereby and defend all suits thereon, unless and until the Insured shall elect to effect settlement thereof.

In the event the Insured elects not to appeal a judgment in excess of the retained limit the Company may elect to take such appeal at their own cost and expense, and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of the Company (other than expenses of such appeal, court costs, attorney's fees, interest on judgment, and all expenses incurred by the Company in connection therewith) for Ultimate Net Loss exceed the amounts set forth in Insuring Agreement II for any one occurrence.

It is understood and agreed that for the purpose of this condition notice to and consent of The Home Insurance Company, 59 Maiden Lane, New York, New York, shall be deemed to be notice to or consent of Company.

EXCLUSION

The Company shall not be liable hereunder, except with respect to liability assumed under contract or agreement for bodily injury to or death of any person or persons with respect to whom the liability of the Insured shall arise out of the relationships of master and servant or shall be imposed upon the said Insured by any Workmen's Compensation Law or Employers' Liability Act, it being understood and agreed that employees of one Affiliated, Associated and Subsidiary Company or Division, shall not be construed as employees of any other Affiliated, Associated and Subsidiary Company or Division, unless, at the time of injury or death, there exists a relationship of master and servant between the employees and such other Affiliated, Associated and Subsidiary Company or Division.

It is understood and agreed that the above Exclusion shall be deemed not to apply to liability imposed upon the Insured by law on account of claims by the wife of any employee for loss of consortium caused by injury to her husband, occurring during the course of his employment, provided, however, that such claims are not recoverable under any existing Workmen's Compensation and/or Employers' Liability policies carried by the Insured.

CONDITIONS

A. INSPECTION

The Company or its duly authorized representatives may at all reasonable times, at the main office of the Insured, inspect and examine the books, records and papers pertaining to the risks insured hereunder, and the Insured shall make available

to the Company for such inspection and examination all books, records and papers pertaining to the risks insured hereunder, but the Company waives no rights and undertakes no responsibility by reason of such inspection or examination or the omission thereof.

B. INCURRING OF COSTS

In the event of claim or claims arising which appear likely to exceed the Underlying limits no Costs shall be incurred by the Insured without the written consent of the Company.

C. SUBROGATION

In the event of the payment of any loss under this Contract, the Company shall be subrogated to the extent of such payment to all rights of the Insured against any person or entity responsible for such loss. The Insured hereby agrees to assist and co-operate in the enforcement of such rights. The Company agrees that it will not exercise any such right of subrogation against (1) any Insured covered by this contract, or (2) any person or entity in respect of which the Insured has assumed liability under contract or agreement. The Insured agrees to assign to the Company any and all such rights or causes of action with full power of substitution and release, and with authority to bring any actions thereon in the name of the Insured, or otherwise in the enforcement of such rights.

The Company will act in concert with all other interests concerned (including the Insured) in the exercise of such rights of recovery. If any amount is recovered as a result of such proceedings such amount shall be apportioned as follows:

First, any interest (including the Insured) that shall have paid an amount over and above any payment made under this contract shall be reimbursed up to the amount paid by such interest; second, the Company shall be reimbursed out of the balance then remaining, up to the amount paid under this contract; third, the Insured is entitled to the residue. The expenses of all proceedings necessary to the recovery of any such amount shall be apportioned between the interests concerned (including the Insured) in the ratio of their respective recoveries as finally settled. If there should be no recovery in proceedings instituted solely on the initiative of the Company, the expenses thereof shall be borne by the Company.

D. HONORABLE UNDERTAKING

The contract shall be considered an honorable undertaking the purposes of which are not to be defeated by a narrow or technical construction of its provisions, but shall be subject to a liberal interpretation for the purpose of giving the effect to the real intention of the parties hereto.

E. ASSIGNMENT

No assignment of interest under this contract shall bind the Company unless such assignment is consented to by an endorsement duly executed by the Company.

F. CHANGES

No change in this contract shall be valid unless made by an amendment or endorsement signed by the Company, nor shall notice to or knowledge possessed by any agent or any other persons be held to waive, alter or extend any portion or portions of this contract.

G. CANCELLATION

This contract shall become effective 12:01 A.M. on 31st August, 1966 Local Standard Time and shall continue in force for the term of thirty-six (36) months from that date, until cancellation by mutual consent or by either party hereto giving the other not less than sixty (60) days' written notice, by registered mail, stating the date on which cancellation shall become effective.

If this contract shall be cancelled by the Insured, the Company shall retain the earned premium hereon for the period that this contract has been in force, or the short rate proportion of the minimum premium calculated in accordance with the customary short rate scale.

If this contract shall be cancelled by the Company, it shall retain the pro rata earned premium hereon for the period that this contract has been in force or pro rata of the minimum premium whichever is the greater.

Notice of cancellation by the Company shall be effective even though the Company makes no payment or tender of return premium.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction hereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

H. SOLE AGENT

For the purpose of issuing instructions for the cancellation of this contract, or the altering of this contract, or the agreeing upon settlement of losses, or receiving or receipting for payment of claims, or for making of premium adjustments, The Greyhound Corporation, or order, shall be deemed the sole and irrevocable agent of each Insured named hereunder.

Notwithstanding anything contained in the foregoing, it is understood and agreed that payment of losses may be made direct to the Divisions or Companies of the Insured and their receipts for such payments shall be deemed full and satisfactory discharge of the Company's Liability hereunder.

- I. It is understood and agreed that premiums and losses hereunder shall be payable in United States Dollars except in respect of operations in the Dominion of Canada for which premium and losses shall be payable in Canadian Dollars, it being understood and agreed that the limits set forth in Insuring Agreement II shall be deemed to read United States Dollars in respect of occurrences arising anywhere in United States of America and/or Mexico and Canadian Dollars in respect of occurrences arising in the Dominion of Canada.

caused by or growing out of each occurrence and arising out of or due wholly or in part to the business operations of the Insured, or any act or omission of the Insured's directors, officers, stockholders, employees, agents contractor or sub-contractors.

II. LIMIT OF LIABILITY

The Company's limit of liability under Coverage 1(a) or Coverage 1(b) or both combined, shall only be for the ultimate net loss excess of \$750,000.00 as a result of any one occurrence, whether insurance shall be purchased by or on behalf of the Insured or the Insured shall retain such first loss for its own account (herein called the Retained Limit), and then only up to an amount not exceeding \$4,250,000.00 in respect of such occurrence, provided, however, that if other valid and collectible insurance is available to the Insured for an amount greater than the Retained Limit as stated above, the Company shall be liable only, for the ultimate net loss in excess of such insurance and then up to but not exceeding their limit of liability as aforesaid, there being no limit to the number of occurrences for which claims may be made hereunder provided such occurrences occur during the policy period.

III. DEFINITION OF "OCCURRENCE"

The word "occurrence" as used in this contract or in any endorsements made a part of this contract shall be construed to mean any one happening or series of happenings, arising out of or due to one event or disaster.

IV. ASSAULT AND BATTERY

This contract covers the legal liability of the Insured against loss on account of personal injuries caused by assault and battery and sustained by any person or persons, other than employees of the Insured in the course of their employment, arising out of business operations of the Insured covered hereunder, unless such assault and battery be committed by or at the direction of the Insured.

The words "bodily injury" and "injury" wherever used in Insuring Agreement I(a) and in other parts of this contract shall be deemed to include personal injury caused by slander or libel, false arrest, false imprisonment, false eviction, discrimination, humiliation, ridicule, mental or physical anguish, detention or malicious prosecution by any officer or employee of the Insured or by a detective or operator of a detective agency or by public authorities.

V. CONTRACT PERIOD, TERRITORY

This contract applies only to events occurring during the continuation of this contract, and happening anywhere in the world, excluding Albania, Bulgaria, China, Cuba, Czechoslovakia, East Germany, Hungary, North Korea, Laos, Outer Mongolia, Poland, Rumania, Soviet Russia, Tibet, North Vietnam, Yugoslavia and all "Iron Curtain Countries."

VI. DEFINITION OF "ULTIMATE NET LOSS"

The term "Ultimate Net Loss" as used in this contract shall be deemed to mean the actual sum or sums paid or payable to any person or persons as special, punitive or general damages, or any or all (as determined by settlement or adjustment of claim or claims as herein provided, or by final judgment), plus expense incurred by the Insured in providing such immediate medical or surgical relief as is imperative at the time of the occurrence covered hereby, because of bodily injury or injuries, death or deaths, arising out of or because of an occurrence covered hereby, Fees and expenses (including taxed court costs and interest accruing after entry of judgment) paid by the Insured, or any company acting as his insurer, or both, in investigating, defending and settling occurrences, claims and suits covered hereby (but not ordinary overhead expenses or salaries or annual retainers paid by or incurred by the Insured in connection therewith) shall be pro-rated between the Insured and the Company in proportion to their respective interests in the amount of Ultimate Net Loss Paid.

It is hereby understood and agreed that the Insured are to have the benefit of recoveries under policies of other Insurers and such recoveries shall inure to the benefit of the Insured, and shall not be

taken into account in arriving at the amount of loss; it being understood and agreed that this policy shall pay losses in excess of \$750,000.00 each occurrence combined Bodily Injury and Property Damage or the amount of such recoveries whichever is the greater.

It is noted and agreed by the Company hereon that the Insured may purchase from other Insurers a policy or policies providing various Bodily Injury and Property Damage limits underlying this policy, and the Company agrees that this policy shall cover as if the aforementioned policy or policies of other Insurers or any similar substitute therefor did not exist.

However, with respect to property leased, rented, occupied or used by or in the care, custody or control of the Insured or any of its employees (other than property of passengers), it is warranted that the Insured shall maintain primary insurance covering damage to or destruction of such property in the amount of \$5,000,000.00 and this policy shall only pay losses in excess thereof.

VII. CLAIMS AND APPEALS

The Insured shall give prompt notice to the Company of any event or development which, in the judgment of the Insured, might result in a claim upon the Company hereunder. Inadvertent failure to so notify shall, however, not affect the liability of the Company, but the Insured agrees to use its best efforts to comply with the foregoing stipulations with a view to affording the Company every possible opportunity of safeguarding their interest in any claim in which they may be involved. The Insured shall forward promptly to the Company a copy of each claim, report, document, paper or pleading in connection with such case which may be required by the Company as adjustment proceeds.

The Company shall have the right to participate jointly with the Insured in the investigation, adjustment and settlement of claims upon which, in the judgment of the Company, they are or might become interested or exposed, and the Insured agrees to co-operate with the Company to the end that settlement may be made in each case where legal liability apparently exists with a minimum loss to the Company.

Upon closing of any claim which has previously been reported to the Company whether or not the Company sustained or will sustain liability thereon, the Insured will notify the Company thereof, in order that the Company's claim files may likewise be closed.

The Company will not undertake to investigate claims or defend suits or proceedings on behalf of the Insured. It is understood, however, that when so requested, the Insured will afford the Company an opportunity to be associated with the Insured, at the expense of the Company, in the defense or control of any claim or suit or proceeding which in the judgment of the Insured may involve the excess insurance afforded under this contract, and the Insured and the Company shall co-operate in every respect in the defense of such claim or suit or proceeding. It is further understood that the Insured shall not make settlement of any claim or group of claims (unless compelled to do so by final judgment of any court of competent jurisdiction) for an amount involving the interest of the Compa

under this contract, without the consent of the Company thereto.

It is the intention of the parties that under this contract the Insured will investigate all occurrences and claims covered hereby and defend all suits thereon, unless and until the Insured shall elect to effect settlement thereof.

In the event the Insured elects not to appeal a judgment in excess of the retained limit the Company may elect to take such appeal at their own cost and expense, and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of the Company (other than expenses of such appeal, court costs, attorney's fees, interest on judgment, and all expenses incurred by the Company in connection therewith) for Ultimate Net Loss exceed the amounts set forth in Insuring Agreement II for any one occurrence.

It is understood and agreed that for the purpose of this condition notice to and consent of The Home Insurance Company, 59 Maiden Lane, New York, New York, shall be deemed to be notice to or consent of Company.

EXCLUSION

The Company shall not be liable hereunder, except with respect to liability assumed under contract or agreement for bodily injury to or death of any person or persons with respect to whom the liability of the Insured shall arise out of the relationships of master and servant or shall be imposed upon the said Insured by any Workmen's Compensation Law or Employers' Liability Act, it being understood and agreed that employees of one Affiliated, Associated and Subsidiary Company or Division, shall not be construed as employees of any other Affiliated, Associated and Subsidiary Company or Division, unless, at the time of injury or death, there exists a relationship of master and servant between the employees and such other Affiliated, Associated and Subsidiary Company or Division.

It is understood and agreed that the above Exclusion shall be deemed not to apply to liability imposed upon the Insured by Law on account of claims by the wife of any employee for loss of consortium caused by injury to her husband, occurring during the course of his employment, provided, however, that such claims are not recoverable under any existing Workmen's Compensation and/or Employers' Liability policies carried by the Insured.

CONDITIONS

A. INSPECTION

The Company or its duly authorized representatives may at all reasonable times, at the main office of the Insured, inspect and examine the books, records and papers pertaining to the risks insured hereunder, and the Insured shall make available to the Company for such inspection and examination all books, records and papers pertaining to the risks insured hereunder, but the Company waives no rights and undertakes no

responsibility by reason of such inspection or examination or the omission thereof.

B. INCURRING OF COSTS

In the event of claim or claims arising which appear likely to exceed the underlying limits no costs shall be incurred by the Insured without the written consent of the Company.

C. SUBROGATION

In the event of the payment of any loss under this contract, the Company shall be subrogated to the extent of such payment to all rights of the Insured against any person or entity responsible for such loss. The Insured hereby agrees to assist and co-operate in the enforcement of such rights. The Company agrees that it will not exercise any such right of subrogation against (1) any Insured covered by this contract, or (2) any person or entity in respect of which the Insured has assumed liability under contract or agreement. The Insured agrees to assign to the Company any and all such rights or causes of action with full power of substitution and release, and with authority to bring any actions thereon in the name of the Insured, or otherwise in the enforcement of such rights.

The Company will act in concert with all other interests concerned (including the Insured) in the exercise of such rights of recovery. If any amount is recovered as a result of such proceedings such amount shall be apportioned as follows:

First, any interest (including the Insured) that shall have paid an amount over and above any payment made under this contract shall be reimbursed up to the amount paid by such interest; second, the Company shall be reimbursed out of the balance then remaining, up to the amount paid under this contract; third, the Insured is entitled to the residue. The expenses of all proceedings necessary to the recovery of any such amount shall be apportioned between the interests concerned (including the Insured) in the ratio of their respective recoveries as finally settled. If there should be no recovery in proceedings instituted solely on the initiative of the Company, the expenses thereof shall be borne by the Company.

D. HONORABLE UNDERTAKING

The contract shall be considered an honorable undertaking, the purposes of which are not to be defeated by a narrow or technical construction of its provisions, but shall be subject to a liberal interpretation for the purpose of giving the effect to the real intention of the parties hereto.

E. ASSIGNMENT

No assignment of interest under this contract shall bind the Company unless such assignment is consented to by an endorsement duly executed by the Company.

F. CHANGES

No change in this contract shall be valid unless made by an amendment or endorsement signed by the Company, nor shall notice to or knowledge possessed by any agent or any other persons be held to waive, alter or extend any portion or portions of this contract.

G. CANCELLATION

This contract shall become effective 12:01 A.M. on 1st January, 1969, Local Standard Time, and shall continue in force for the term of thirty-six (36) months from that date, until cancellation by mutual consent or by either party hereto giving the other not less than sixty (60) days' written notice, by registered mail, stating the date on which cancellation shall become effective.

If this contract shall be cancelled by the Insured, the Company shall retain the earned premium hereon for the period that this contract has been in force, or the short rate proportion of the minimum premium calculated in accordance with the customary short rate scale.

If this contract shall be cancelled by the Company, it shall retain the pro rata earned premium hereon for the period that this contract has been in force or pro rata of the minimum premium whichever is the greater.

Notice of cancellation by the Company shall be effective even though the Company makes no payment or tender of return premium.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction hereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

H. SOLE AGENT

For the purpose of issuing instructions for the cancellation of this contract, or the altering of this contract, or the agreeing upon settlement of losses, or receiving or receipting for payment of claims, or for making of premium adjustments, The Greyhound Corporation, or order, shall be deemed the sole and irrevocable agent of each Insured named hereunder.

Notwithstanding anything contained in the foregoing, it is understood and agreed that payment of losses may be made direct to the Divisions or Companies of the Insured and their receipts for such payments shall be deemed full and satisfactory discharge of the Company's Liability hereunder.

- I. It is understood and agreed that premiums and losses hereunder shall be payable in United States Dollars except in respect of operations in the Dominion of Canada for which premium and losses shall be pay-

able in Canadian Dollars, it being understood and agreed that the limits set forth in Insuring Agreement II shall be deemed to read United States Dollars in respect of occurrences arising anywhere in United States of America and/or Mexico and Canadian Dollars in respect of occurrences arising in the Dominion of Canada.

SECTION B

BOILER INSURANCE CONTRACT

1. The Company, subject to the limitations, conditions, definitions and other terms contained in this contract, agree to indemnify The Grayhound Corporation and its Subsidiary Companies more than 50% owned (hereinafter called the "Insured") against loss from an accident to an object at a location all as more fully described in the Primary Policy issued to the Insured by The Hartford Steam Boiler Inspection and Insurance Company (herein called the "Primary Insurers").
2. It is understood and agreed that the Insured have purchased a primary policy from The Hartford Steam Boiler Inspection and Insurance Company, the agreement of which, at inception, provides for varying limits as follows:
 - \$150,000.00 limit per accident at two locations
 - \$100,000.00 limit per accident at two locations
 - \$ 50,000.00 limit per accident at remaining locations

It is expressly agreed that the Company herein shall be liable only for the excess of ultimate net loss any one accident as provided by the primary policy at the time of the accident and then only for the excess loss up to One Million Dollars (\$1,000,000.00) any one accident, it being understood and agreed that the Company's liability will never be in excess of an amount less than \$50,000.00 per accident at any one location.
3. This contract is subject to the same terms, conditions and definitions (except as regards the premium, the amount and limit of liability, and renewal agreement, if any, and except as otherwise provided herein) as are contained in or as may be added to the Policy of the Primary Insurers provided always that the agreement shall not apply to any changes involving an increase in the Company's limit of liability for any one accident, it being understood and agreed that any such changes of this nature must be submitted to the Company for their consideration and agreement before they can be considered binding.
4. The term "ultimate net loss" shall be understood to mean the actual loss sustained by the Insured due to loss of or damage to their own property and/or the sum actually paid in cash in the settlement of losses for which the Insured is liable, after making proper deductions for all recoveries, salvages and other insurances, and shall exclude all expenses for salaried employees incurred in investigation, adjustment and litigation. Other loss and legal expenses incurred with the consent of the Company shall be apportioned in the proportion to the respective interests as finally determined.

5. All salvages, recoveries and payments recoverable subsequent to a loss settlement under this contract shall be applied as though recovered or received prior to the said settlement and all necessary adjustment shall be made by the parties hereto.
6. The Insured, upon the occurrence of an accident likely to cause a claim under this contract, shall give notice thereof as soon as practicable, with the fullest information obtainable at the time, to The Home Insurance Company, 59 Maiden Lane, New York, New York. Failure to notify the above Company of any accident, which at the time of its happening does not appear to involve this contract but which at a later date would appear to give rise to a claim hereunder, shall not prejudice such claim.
7. The Company shall be subrogated in case of payment of loss under this contract to the extent of such payment to all of the Insured's rights of recovery therefor and the Insured shall execute all papers required and shall do everything necessary to secure such rights.
8. The insolvency or bankruptcy of the Insured shall not release the Company from any of its obligations assumed hereunder. In case execution against the Insured on any final judgment covered by this insurance shall be returned "unsatisfied" by reason of such insolvency or bankruptcy, then an action may be maintained by the injured person or his or her personal representative against the Company on this contract in the same manner and to the same extent as the Insured but not in excess of Limit per Accident applicable hereunder.
9. This contract may be cancelled at any time at the request of the Insured in writing to The Home Insurance Company, 59 Maiden Lane, New York, New York, and the premium hereon shall be adjusted on the basis of the Company receiving or retaining the customary short term premium. This contract may also be cancelled by or on behalf of the Company by sixty (60) days' notice given in writing to the Insured at the address stated herein and the premium hereon shall be adjusted on the basis of the Company receiving or retaining pro rata premium.
10. It is understood and agreed that premiums and losses hereunder shall be payable in United States Dollars except in respect of operations in the Dominion of Canada for which premium and losses shall be payable in Canadian Dollars, it being understood and agreed that the limits set forth in Insuring Agreement II shall be deemed to read United States Dollars in respect of occurrences arising anywhere in United States of America and/or Mexico and Canadian Dollars in respect of occurrences arising in the Dominion of Canada.
11. This insurance shall be construed as an honorable undertaking, the purposes of which are not to be defeated by a narrow technical construction of its provisions, but shall be subject to a liberal interpretation for the purpose of giving effect to the real intention of the parties hereto.

12.

PERIOD

This contract shall become effective 12:01 A.M. on January 1, 1969, Local Standard Time, and shall continue in force until 12:01 A.M. on January 1, 1972.

war, invasion, acts of foreign enemies, hostilities, (whether war be declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation or nationalization or requisition or destruction of or damage to property by or under the order of any government or public or local authority.

Except insofar as coverage is available to the Insured in the underlying insurances as set out in the attached Schedule, this policy shall not apply:—

- (e) to liability of any Insured hereunder for assault and battery committed by or at the direction of such Insured except liability for Personal Injury or Death resulting from any act alleged to be assault and battery committed for the purpose of preventing or eliminating danger in the operation of aircraft, or for the purpose of preventing personal injury or property damage; it being understood and agreed that this exclusion shall not apply to the liability of the Named Insured for personal injury to their employees, unless such liability is already excluded under Exclusion (a) above;
- (f) with respect to any aircraft owned by the Insured except liability of the Named Insured for aircraft not owned by them; it being understood and agreed that this exclusion shall not apply to the liability of the Named Insured for personal injury to their employees, unless such liability is already excluded under Exclusion (a) above;
- (g) with respect to any watercraft owned by the Insured, while away from premises owned, rented or controlled by the Insured, except liability of the Named Insured for watercraft not owned by them; it being understood and agreed that this exclusion shall not apply to the liability of the Named Insured for personal injury to their employees, unless such liability is already excluded under Exclusion (a) above;
- (h) to any employee with respect to injury to or the death of another employee of the same Employer injured in the course of such employment.

the Insured prior to the inception date hereof the limit of liability hereon as stated in Item 2 of the Declarations shall be reduced by any amounts due to the Insured on account of such loss under such prior insurance.

Subject to the foregoing paragraph and to all the other terms and conditions of this policy in the event that personal injury or property damage arising out of an occurrence covered hereunder is continuing at the time of termination of this policy The Company will continue to protect the Insured for liability in respect of such personal injury or property damage without payment of additional premium.

D. SPECIAL CONDITIONS APPLICABLE TO OCCUPATIONAL DISEASE

As regards personal injury (fatal or non-fatal) by occupational disease sustained by an employee of the Insured, this policy is subject to the same warranties, terms and conditions (except as regards the premium, the amount and limits of liability and the renewal agreement, if any) as are contained in or as may be added to the underlying insurances prior to the happening of an occurrence for which claims is made hereunder.

The Company shall be permitted at all reasonable times during the policy period to inspect the premises, plants, machinery and equipment used in connection with the Insured's business, trade or work, and to examine the Insured's books and records at any time during the currency hereof and within one year after final settlement of all claims so far as the books and records relate to any payments made on account of occurrences happening during the term of this policy.

F. CROSS LIABILITY

In the event of claims being made by reason of personal injuries suffered by any employee or employees of one Insured hereunder for which another Insured hereunder is or may be liable, then this policy shall cover such Insured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Insured hereunder.

In the event of claims being made by reason of damage to property belonging to any Insured hereunder for which another Insured is, or may be liable then this policy shall cover such Insured against whom a claim is made or may be made in the same manner as if separate policies had been issued to each Insured hereunder.

Nothing contained herein shall operate to increase Company's limit of liability as set forth in Insuring Agreement II.

G. NOTICE OF OCCURRENCE

Whenever the Insured has information from which the Insured may reasonably conclude that an occurrence covered hereunder involves injuries or damages which, in the event that the Insured should be held liable, is likely to involve this policy, notice shall be sent to the Company as soon as practicable, provided, however, that failure to give notice of any occurrence which at the time of its happening did not appear to involve this policy but which, at a later date, would appear to give rise to claims hereunder, shall not prejudice such claim.

H. ASSISTANCE AND CO-OPERATION

The Company shall not be called upon to assume charge of the settlement or defense of any claim made or suit brought or proceeding instituted against the Insured but The Company shall have the right and shall be given the opportunity to associate with the Insured or the Insured's underlying insurers, or both, in the defense and control of any claim, suit or proceeding relative to an occurrence where the claim or suit involves or appears reasonably likely to involve The Company, in which event the Insured and The Company shall co-operate in all things in the defense of such claim, suit or proceeding.

I. APPEALS

In the event the Insured or the Insured's underlying insurers elect not to appeal a judgment in excess of the underlying limits, The Company may elect to make such appeal at their cost and expense, and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of The Company for ultimate net loss exceed the amount set forth in Insuring Agreement II for any one occurrence and in addition the cost and expense of such appeal.

J. LOSS PAYABLE

Liability under this policy with respect to any occurrence shall not attach unless and until the Insured, or the Insured's underlying insurer, shall have paid the amount of the underlying limits on account of such occurrence. The Insured shall make a definite claim for any loss for which the Company may be liable under the policy within twelve (12) months after the Insured shall have paid an amount of ultimate net loss in excess of the amount borne by the Insured or after the Insured's liability shall have been fixed and rendered certain either by final judgment against the Insured after actual trial or by written agreement of the Insured, the claimant, and The Company. If any subsequent payments shall be made by the Insured on account of the same occurrence, additional claims shall be made similarly from time to time. Such losses shall be due and payable within thirty (30) days after they are respectively claimed and proven in conformity with this policy.

In the event of the bankruptcy or insolvency of the Insured or any entity comprising the Insured, The Company shall not be relieved from the payment of any claims hereunder because of such bankruptcy or insolvency.

L. OTHER INSURANCE

If other valid and collectible insurance with any other insurer is available to the Insured covering a loss also covered by this policy, other than insurance that is in excess of the insurance afforded by this policy, the insurance afforded by this policy shall be in excess of and shall not contribute with such other insurance. Nothing herein shall be construed to make this policy subject to the terms, conditions and limitations of other insurance.

M. SUBROGATION

Inasmuch as this policy is "Excess Coverage", the Insured's right of recovery against any person or other entity cannot be exclusively subrogated to the Company. It is, therefore, understood and agreed that in case of any payment hereunder, the Company will act in concert with all other interests (including the Insured) concerned, in the exercise of such rights of recovery. The apportioning of any amounts which may be so recovered shall follow the principle that any interests (including the Insured) that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the Company is then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly, the interests (including the Insured) of whom this coverage is in excess are entitled to claim the residue, if any. Expenses necessary to the recovery of any such amounts shall be apportioned between the interests (including the Insured) concerned, in the ratio of their respective recoveries as finally settled.

N. CHANGES

Notice to or knowledge possessed by any person shall not effect a waiver or change in any part of this policy or estop The Company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part hereof, signed by The Company.

O. ASSIGNMENT

Assignment of interest under this policy shall not bind The Company unless and until their consent is endorsed hereon.

P. CANCELLATION

This policy may be cancelled by the named insured by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the company by mailing to the named insured at the address shown in this policy written notice stating when not less than 30 days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

Q. MAINTENANCE OF UNDERLYING INSURANCE

It is a condition of this policy that the policy or policies referred to in the attached "Schedule of Underlying Insurances" shall be maintained in full effect during the currency of this policy except for any reduction of the aggregate limit or limits contained therein solely by payment of claims in respect of accidents and/or occurrences occurring during the period of this policy. Failure of the Insured to comply with the foregoing shall not invalidate this policy but in the event of such failure, the Company shall only be liable to the same extent as they would have been had the Insured complied with the said condition.

- (a) compensation and other benefits required of the insured by the workmen's compensation law; and

- (a) bodily injury by accident, including death resulting therefrom, sustained by one or more employees in each accident, or
- (b) bodily injury by disease, including death resulting therefrom, sustained by each employee.

The inclusion herein of more than one insured shall not operate to increase the retained limit(s) or the Company's limit of liability.

EXCLUSIONS

This policy does not apply:

- (a) to loss arising out of operations (1) as respects which the insured carries a full coverage workmen's compensation or employers' liability policy, or (2) as respects which the insured has rejected any workmen's compensation law;
- (b) unless required by law or described in the declarations to domestic employment or to farm or agricultural employment;
- (c) under paragraph (b) of Insuring Agreement I, to liability assumed by the insured under any contract or agreement;
- (d) under paragraph (b) of Insuring Agreement I, (1) to punitive or exemplary damages on account of bodily injury to or death of any employee employed in violation of law, or (2) with respect to any employee employed in violation of law with the knowledge or acquiescence of the insured or any executive officer thereof;

- (f) under paragraph (b) of Insuring Agreement I, to any obligation for which the insured or any carrier as its insurer may be held liable under any workmen's compensation or occupational disease law of a state designated in Item 3, of the declarations, any other workmen's compensation or occupational disease law, any unemployment compensation or disability benefits law, or under any similar law.

CONDITIONS

A. Qualified Self-Insurer

The insured, by the acceptance of this policy, warrants that it has qualified as a self-insurer as provided in the workmen's compensation law and will continue to maintain such qualifications during the period of this policy. In the event the insured should at any time while this policy is in force terminate its qualifications as a self-insurer or if such qualifications should be cancelled or revoked, this policy, to the extent of such termination, cancellation or revocation, shall automatically terminate at the same time.

B. Premium Computation

The premium basis and rates for the classifications of operations described in the declarations are as stated therein. Classifications not so described, unless specifically excluded by this policy, shall be deemed to come within the provisions of this policy, and the insured agrees to pay a premium therefor, at the time of the adjustment of the premium hereunder, at rates to be determined. When used as a premium basis, "remuneration" means the entire remuneration, computed in accordance with the manuals in use by the Company, earned during the policy period by (a) all executive officers and other employees of the insured engaged in operations covered by this policy, and (b) any other person performing work which may render the insured liable for injury to or death of such person in accordance with the workmen's compensation law. "Remuneration" shall not include the remuneration of any person within division (b) foregoing if the insured maintains evidence satisfactory to the Company that the payment of compensation and other benefits under such law to such person is secured by other valid and collectible insurance or by any other undertaking approved by the governmental agency having jurisdiction thereof. The advance premium shown in the declarations is a deposit only which shall be held by the Company and credited against the premium found to be due the Company upon termination of this policy. Upon expiration of each twelve (12) month period of the policy, or if this policy is sooner terminated, the actual amount of the remuneration earned during such earned period shall be exhibited to the Company, as provided in Condition C hereof, and the earned premium adjusted in accordance therewith at the rates and under the conditions herein specified. If the earned premium for the last twelve (12) month period of the policy exceeds the advance premium paid, the insured shall pay the additional amount to the Company; if less, the Company shall return to the insured the unearned portion, but the Company shall receive and retain the annual minimum premium for each twelve (12) month period of the policy.

C. Inspection Examination

The Company shall be permitted at all reasonable times during the policy period and any extension thereof to inspect the premises, plants, machinery and equipment used in connection with the insured's business, trade or work, and to examine the insured's books and records at any time during the currency hereof and within three years after its termination, for the purpose of determining the actual premium earned while this policy was in force and within three years after final settlement of all claims so far as the books and records relate to any payments made on account of injuries happening during the term of this policy, but the Company waives no rights and undertakes no responsibility by reason of such inspection or examination or the omission thereof.

D. Definitions

- (a) Workmen's Compensation Law. The unqualified term "workmen's compensation law" means the workmen's compensation law and any occupational disease law of a state designated in Item 3 of the declarations (including the United States Longshoremen's and Harbor Workers' Compensation Act if so specified in Item 3 of the declarations), while the insured is a duly qualified self-insurer under such law, but does not include those provisions of any such law which provided non-occupational disability benefits.
- (b) State. The word "state" means any state or territory of the United States of America and the District of Columbia.
- (c) Bodily Injury by Accident; Bodily Injury by Disease. The contraction of disease is not an accident within the meaning of the word "accident" in the term "bodily injury by accident" and only such disease as results directly from a bodily injury by accident is included within the term "bodily injury by accident." The term "bodily injury by disease" includes only such disease as is not included within the term "bodily injury by accident."
- (d) Assault and Battery. Under paragraph (b) of Insuring Agreement I, assault and battery shall be deemed an accident unless committed by or at the direction of the insured.
- (e) Damages because of Bodily Injury by Accident or Disease, Including Death At Any Time Resulting Therefrom. The words damages because of Bodily Injury by accident or disease, including death at any time resulting therefrom," in paragraph (b) of Insuring Agreement I include damages for care and loss of services and damages for which the insured is liable by reason of suits or claims brought against the insured by others

to recover the damages obtained from such others because of such bodily injury sustained by employees of the insured arising out of and in the course of their employment.

- (f) Ultimate Net Loss. The term "ultimate net loss," as used in this policy, shall mean the sum actually paid in cash in the settlement or satisfaction of losses for which the insured is liable, either by adjudication or compromise with the written consent of the Company, after making proper deductions for all recoveries, but shall exclude all salaries of employees and office expenses of the insured incurred in investigation, adjustment and litigation. Nothing herein contained shall be construed to mean that the insured shall be required to enforce by legal action any rights of subrogation before the Company shall pay any loss for which it may be liable hereunder. Other loss and legal expenses (including court costs and interest on any judgment or award) incurred with the consent of the Company shall be apportioned in proportion to the respective interests as finally determined.

E. Notice of Injury

Upon the occurrence of injury by accident or disease that appears reasonably likely to involve liability on the part of the Company, written notice shall be given by or on behalf of the insured to the Company or any of its authorized agents as soon as practicable. Such notice shall contain particulars sufficient to identify the insured and also the fullest information obtainable at the time. The insured shall give like notice, with full particulars, of any claim made on account of such injury. If thereafter suit or other proceeding is instituted against the insured to enforce such claim, the insured shall, when requested by the Company, forward to the Company every demand, notice, summons or other process or true copies thereof, received by the insured or the insured's representatives, together with copies of reports of investigations made by the insured with respect to such claim, suit or proceeding.

F. Cooperation of the Insured

The Company shall not be called upon to assume charge of the settlement or defense of any claim made or suit or proceeding instituted against the insured but the Company shall have the right and shall be given the opportunity to associate with the insured in the defense and control of any claim, suit or proceeding relative to injury where the claim or suit involves, or appears reasonably likely to involve the Company, in which event the insured and the Company shall cooperate in all things in the defense of such claim, suit or proceeding.

G. Legal Costs

Should any claim or claims arise out of occurrence of injury by accident or disease, appearing likely to exceed the retained limit(s), no costs shall be incurred on behalf of the Company without its consent being first obtained. Should such claim or claims be adjusted prior to trial court judgment for a sum or aggregate sum of not more than the retained limit(s), then no costs shall be payable by the Company. Should, however, the sum or aggregate sum for which claim or claims are adjustable prior to the rendering of trial court judgment or judgments exceed the retained limit(s), then the Company, if it consents to trial court proceedings continuing, shall contribute to the costs in the ratio that its proportion of the liability for the judgment or judgments rendered, or settlement or settlements made, bears to the whole amount of said judgment or settlement or judgments or settlements.

H. Appeals

In the event the insured elects not to appeal a judgment in excess of the retained limit(s), the Company may elect to take such appeal at its own cost and expense, and shall be liable for the taxable costs and disbursements and interest incidental thereto, but in no event shall the liability of the Company for ultimate net loss exceed the amount set forth in Insuring Agreement II as its limit of liability, plus the cost and expense of such appeal.

I. Loss Payable

The Company shall pay any loss for which it may be liable under this policy in the following manner;

1. As respects paragraph (a) of Insuring Agreement I, payment shall first be made by the insured in accordance with the provisions of the workmen's compensation law, and the Company shall reimburse the insured for such loss periodically, at intervals of not less than one month, upon receipt from the insured of proper proofs of payment. No voluntary commutation of compensation awards to a lump sum basis shall be made by the insured without the consent of the Company.
2. As respects paragraph (b) of Insuring Agreement I, where damages are recovered against the insured, payment shall be made by the Company within thirty (30) days after proper proofs of payment by the insured shall have been received by the Company.

J. Action Against Company

No action shall lie against the Company unless, as a condition precedent thereto, the insured shall have fully complied with all the terms of this policy.

K. Other Insurance

If the insured carries other valid and collectible insurance, reinsurance or indemnity with any other insurer covering a loss also covered by this policy (other than insurance that is purchased to apply in excess of the sum of the retained limit(s) and the limit of liability hereunder), the insurance afforded by this policy shall be in excess of and shall not contribute with such other insurance. If the insured carries other insurance with the Company covering a loss within the limit covered by this policy, the insured must elect which policy shall apply, and the Company shall be liable under the policy so elected and shall not be liable under any other policy.

L. Subrogation

In the event of any payment under this policy, the Company shall be subrogated, to the extent of such payment, to all the insured's rights of recovery therefor and the insured shall execute all papers required and shall do everything that may be necessary to secure such rights. Any amount recovered as a result of such proceedings, together with all expenses necessary to the recovery of any such amount shall be apportioned as follows: The Company shall first be reimbursed to the extent of its actual payment hereunder, if any balance then remains said balance shall be applied to reimburse the insured. The expenses of all proceedings necessary to the recovery of any such amount shall be apportioned between the insured and the Company in the ratio of their respective recoveries as finally settled. If there should be no recovery in proceedings instituted solely on the initiative of the Company the expense thereof shall be borne by the Company.

M. Changes

Notice to any agent, or knowledge possessed by any agent or by any other person shall not be held to effect a waiver or change in any part of this policy nor estop the Company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part hereof, signed by the president, or vice president, secretary or assistant secretary of the Company.

N. Assignment

Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon.

O. Cancellation

This policy may be cancelled by the insured by mailing to the Company written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the Company by mailing to the insured at the address shown in this policy written notice stating when, not less than thirty (30) days thereafter, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice and the effective date of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the insured or by the Company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro rata.

Premium adjustment may be made at the time cancellation is effected and, if not then made, shall be made as soon as practicable after cancellation becomes effective. The Company's check or the check of its representative mailed or delivered as aforesaid shall be sufficient tender of any refund of premium due to the named insured.

If this policy insures more than one insured, cancellation may be effected by the insured first named in Item 1 of the declarations for the account of all the named insureds; notice of cancellation by the Company to such first named insured shall be deemed to be notice to all insureds and payment of any earned premium to such first named insured shall be for the account of all interests therein.

BOILER INSURANCE CONTRACT - Excluding Armour and Company

1. The Company, subject to the limitations, conditions, definitions and other terms contained in this contract, agree to indemnify The Greyhound Corporation against loss from an accident to an object at a location all as more fully described in the Primary Policy issued to the Insured by The Hartford Steam Boiler Inspection and Insurance Company (herein called the "Primary Insurers").
2. It is understood and agreed that the Insured have purchased a primary policy from The Hartford Steam Boiler Inspection and Insurance Company, the agreement of which, at inception, provides for varying limits as follows:

\$150,000.00 limit per accident at two locations
\$100,000.00 limit per accident at two locations
\$ 50,000.00 limit per accident at remaining locations

It is expressly agreed that the Company herein shall be liable only for the excess of ultimate net loss any one accident as provided by the primary policy at the time of the accident and then only for the excess loss up to Five Hundred Thousand Dollars (\$500,000.00) any one accident, it being understood and agreed that the Company's liability will never be in excess of an amount less than \$50,000.00 per accident at any one location.

3. This contract is subject to the same terms, conditions and definitions (except as regards the premium, the amount and limit of liability, and renewal agreement, if any, and except as otherwise provided herein) as are contained in or as may be added to the Policy of the Primary Insurers provided always that the agreement shall not apply to any changes involving an increase in the Company's limit of liability for any one accident, it being understood and agreed that any such changes of this nature must be submitted to the Company for their consideration and agreement before they can be considered binding.
4. The term "ultimate net loss" shall be understood to mean the actual loss sustained by the Insured due to loss of or damage to their own property and/or the sum actually paid in cash in the settlement of losses for which the Insured is liable, after making proper deductions for all recoveries, salvages and other insurances, and shall exclude all expenses for salaried employees incurred in investigation, adjustment and litigation. Other loss and legal expenses incurred with the consent of the Company shall be apportioned in the proportion to the respective interests as finally determined.

5. All salvages, recoveries and payments recoverable subsequent to a loss settlement under this contract shall be applied as though recovered or received prior to the said settlement and all necessary adjustment shall be made by the parties hereto.
6. The Insured, upon the occurrence of an accident likely to cause a claim under this contract, shall give notice thereof as soon as practicable, with the fullest information obtainable at the time, to The Home Insurance Company, 59 Maiden Lane, New York, New York. Failure to notify the above Company of any accident, which at the time of its happening does not appear to involve this contract but which at a later date would appear to give rise to a claim hereunder, shall not prejudice such claim.
7. The Company shall be subrogated in case of payment of loss under this contract to the extent of such payment to all of the Insured's rights of recovery therefor and the Insured shall execute all papers required and shall do everything necessary to secure such rights.
8. The insolvency or bankruptcy of the Insured shall not release the Company from any of its obligations assumed hereunder. In case execution against the Insured on any final judgment covered by this insurance shall be returned "unsatisfied" by reason of such insolvency or bankruptcy, then an action may be maintained by the injured person or his or her personal representative against the Company on this contract in the same manner and to the same extent as the Insured but not in excess of Limit per Accident applicable hereunder.
9. This contract may be cancelled at any time at the request of the Insured in writing to The Home Insurance Company, 59 Maiden Lane, New York, New York and the premium hereon shall be adjusted on the basis of the Company receiving or retaining the customary short term premium. This contract may also be cancelled by or on behalf of the Company by sixty (60) days' notice given in writing to the Insured at the address stated herein and the premium hereon shall be adjusted on the basis of the Company receiving or retaining pro rata premium.
10. It is understood and agreed that premiums and losses hereunder shall be payable in United States Dollars except in respect of operations in the Dominion of Canada for which premium and losses shall be payable in Canadian Dollars, it being understood and agreed that the limits set forth in Insuring Agreement II shall be deemed to read United States Dollars in respect of occurrences arising anywhere in United States of America and/or Mexico and Canadian Dollars in respect of occurrences arising in the Dominion of Canada.

11. This insurance shall be construed as an honorable undertaking, the purposes of which are not to be defeated by a narrow technical construction of its provisions, but shall be subject to a liberal interpretation for the purpose of giving effect to the real intention of the parties hereto.

12. PERIOD

This contract shall become effective 12:01 A.M. on March 31, 1972 Local Standard Time, and shall continue in force until 12:01 A.M. on March 1, 1973.
